### **AfterCare - Inclement Weather Update**

Typically, if the schools close early, extended care is closed as well, children need to be picked up at the time designated for early dismissal. If snow/sleet, etc., start later in the day, and we have regular dismissal, all Extended Care Students must be picked up ASAP, as we wish for Students, Parents and Staff to have safe travels home.

### **The Wilson Walk**

A benefit for brain aneurysm awareness is being held April 2, 2011. It is a 5K fun run/walk to help support the Brain Aneurysm Foundation in honor of Mary Wilson-Kempski who suffered a brain aneurysm that left her paralyzed on her left side and with extensive brain damage. Register online at [www.bafound.org](http://www.bafound.org).

8th grade students who would like to earn service hours can contact Katie Kempski at 299-5023 or [cmkempski@gmail.com](mailto:cmkempski@gmail.com).

### **All Saints Catholic School**

Sixteen resumes were received by the Catholic Schools Office for the position of principal. Of that 16, six persons were interviewed. Three of those candidates are being interviewed for the second time, today! The announcement of the All Saints principal will be made soon!

Three meetings were held, January 10 and 11, at which Cathy Weaver, Lou DeAngelo, and Madeleine Ortmann updated parents and fielded questions regarding All Saints. I will issue minutes of that meeting later today.

Have a wonderful weekend!
