

CORPUS CHRISTI CASH PROGRAM (SCRIP PROGRAM)

Dear Families,

We have enhanced the SCRIP card program to make it more convenient to purchase scrip cards. The SCRIP program offers **FREE MONEY** for both you and the school. SCRIP cards are basically like discounted gift cards. In short, families do their regular shopping with SCRIP cards from favorite retailers. With each SCRIP card purchased, families and Corpus Christi School each earn cash back. The percentage of cash back is divided between you and Corpus Christi. **This adds up to FREE MONEY for you and our school!** Families receive a check at the end of the year which they can spend however they choose.

If all families purchased just their groceries using SCRIP cards, Corpus Christi could potentially earn **\$15,000** in cash back! For example: in one year my family spends \$100 weekly on groceries using SCRIP cards. Therefore, I receive a cash rebate check of \$150 and Corpus Christi School receives \$50. Multiply \$50 by the number of families at school and that's potentially **\$15,000 free money for the school**. For those that spend over \$100/week - both the families and the school would earn even more! Pathmark, Acme and ShopRite all participate in this program so it would be easy for most everyone to participate just by doing their usual weekly shopping. Many favorite retailers and restaurants participate in this program. For a complete list, check out:
